

## PARENTS IN PARTICIPATION (PIP)

The Log Church Christian School is possible thanks to the Community Log Church and through the generous efforts of parents. In order to continue providing a quality education at an affordable cost, the school depends on the participation of each child's parent(s) in the Parent In Participation (PIP) program. Your time and talents are an integral part of many programs at LCCS: the auction/benefit, hot lunch program, recess, fundraisers, committees, classroom parents, maintenance projects, or field trip chaperones are all important elements to the life of our school. It is important that parents participate in the total educational experience of their children and PIP helps to provide this opportunity.

Each family is required to contribute a minimum number of hours per year to designated school projects and ongoing duties. The required hours are for the oldest (exception: Dual Enrolled) child in a family with multiple children enrolled. **Part-time Preschool/Dual Enrolled: 7 hours**  
**Kindergarten-12th: 15 hours**. You may opt to pay a \$10 per hour (\$100 per year) "work credit" in lieu of your time. We would much rather see you around our school encouraging little ones, copying, monitoring recesses, or helping with any of our fundraisers throughout the year than receive your "work credit" substitution. Please make sure you sign up for at least one fundraiser(s), that you would be interested in volunteering for, at our Back to School Night.

In addition to the excellent education your student(s) will receive here at LCCS, they will also experience a variety of fun activities, community events, field experiences, holiday celebrations, and guest presentations. As a private school, we depend on our families to volunteer their time, so we may provide this enrichment. There are ample opportunities for fulfilling your PIP hours each quarter. PIP hour opportunities are not limited to school hours. There are after school, evening, weekend and even at home opportunities to volunteer for the school or a teacher. Baking cookies or treats for your child's classroom, volunteering to cover a lunch or recess break for teachers, after school cleaning, and field trip chaperones are a few ways you can serve.

- Each family is required to complete the minimum hours per year by the end of the school year.
- PIP hours do not rollover to a new year.
- PIP hours may be completed by the parent/guardian, grandparent, sibling (age 16 or older), or other family member or family friend.
- It is the responsibility of families to fill out the PIP Log on the back side of the ROAR each month and return them to your child's teacher or the office.
- The "work credit" option is \$10 per hour for uncompleted PIP hours billed at the end of the school year.
- PIP hours and/or "work credit" substitution are due before June of that school year.
